*Approved applicants only. Fees, terms, conditions & minimum finance amounts apply, incl \$99 Annual Fee charged on the account open date and annually on the anniversary of that date. Annual Fee must be paid in full within 90 days or it will attract interest. Minimum monthly repayment required. Interest, (charged at the Expiry Promotional Rate) payable on outstanding balances after any Interest Free Period. See skye.com.au for current interest rates. *The indicative repayments is only an estimate and results should be used as an indication only. They do not represent either a quote or pre-qualification or approval. In this instance, the indicative monthly repayment displayed is the contractual minimum monthly repayment (MMP) for the first month, which is the greater of 3% of the Eligible Unpaid Balance (as defined in the Skye Conditions of Use) or \$30 as the MMP for the first month is greater than the finance amount divided by the Interest Free Period. Under the Conditions of Use, the contractual MMP will continue to decrease each month as the Eligible Unpaid Balance decreases and therefore, paying only the contractual MMP over the entire Interest Free Period would not repay the purchase price within the Interest Free Period. The indicative monthly repayment includes the \$99 Annual Fee, charged at the time the first debt is charged to your Skye Account and annually on the anniversary of that date. The Annual Fee must be paid in full within 90 days of it being charged or interest will be charged on it. The indicative repayments assumes no additional purchases, cash withdrawals, fees or charges are incurred. Only available at Skye retail partners. Credit provided by FlexiCards Australia Pty Ltd ABN 31 099 651 877 Australian Credit Licence number 247415. FlexiCards Australia is a subsidiary of FlexiGroup Limited.

*Approved applicants only. Fees, terms, conditions & minimum finance amounts apply. incl \$99 Annual Fee charged on the account open date and annually on the anniversary of that date. Annual Fee must be paid in full within 90 days or it will attract interest. Minimum monthly repayment required. Interest, (charged at the Expired Promotional Rate) payable on outstanding balances after any Interest Free Period. See skycard.com.au for current interest rates. *The indicative repayments is only an estimate and results should be used as an indication only. They do not represent either a quote or pre-qualification or approval. In this instance, the indicative monthly repayment displayed is the contractual minimum monthly repayment (MMP) for the first month, which is the greater of 3% of the Eligible Unpaid Balance (as defined in the Skye Conditions of Use) or \$30 as the MMP for the first month is greater than the finance amount divided by the Interest Free Period. Under the Conditions of Use, the contractual MMP will continue to decrease each month as the Eligible Unpaid Balance decreases and therefore, paying only the contractual MMP over the entire Interest Free Period would not repay the purchase price within the Interest Free Period. The indicative monthly repayment includes the \$99 Annual Fee, charged at the time the first debit is charged to your Skye Account and annually on the anniversary of that date. The Annual Fee must be paid in full within 90 days of it being charged or interest will be charged on it. The indicative repayments assumes no additional purchases, cash withdrawals, fees or charges are incurred. Only available at Skye retail partners. Credit provided by FlexiCards Australia Pty Ltd ABN 31 099 651 877 Australian Credit Licence number 247415. FlexiCards Australia is a subsidiary of Flexigroup Limited.
