**THIS IS WHY LIQUID INTELLIGENCE 230 CAN EVEN FIX BADLY LEAKING SEALS.**

Even badly leaking seals, normally only have a slight amount of deterioration or damage on them and don't always need replacing...The Liquid Intelligence 230 Stop Leak Seal Expander formulation contains a unique combination of ester and phenol additives... These additive work by restoring some of the seals volume, elasticity and compression characteristics. Therefore returning substantial amounts of the seals original structural integrity, and preventing further leaks for years. Liquid Intelligence products are the BEST OF THE BEST. They have the highest degree of efficiency, activity and functionality, compared to any similar retail grade product.

You can call Peter for a chat about product and application information or simply to purchase Liquid Intelligence 7am to 7pm seven days a week

## "Solve Your Bird Problems"

With my Hawk Bird Scarer OR your money  
back guaranteed.

This scarer will save you money because it only costs \$39 and it is guaranteed to work.

**"You saved my Roses from Parrot and Cockatoo damage"** Wendy Burgin, Riverside Drive, Warburton, Vic.

This full size replica, of a hovering hawk, is made of tough weatherproof plastic, so it lasts.

**"I have solved my bird problem"** said N. Bond, Braybrook, Vic.

You can protect your stone & pome fruits, nut, berry or broad acre crops on calm or windy days because you suspend your hawk over or near your crop. No power, wind or poison needed which protects the environment.

**Your Hawk Bird Scarer looks real** so it scares all birds including Cockatoos, Crows, Galahs, Corellas, Starlings, Blackbirds, Bulbuls, Jays, Mynahs, Silver Eyes & Parrots.

**Other uses:** Stops Pigeons, Swallows and Seagulls roosting on boats, sheds, verandahs and roofs. Scares ducks off dams & swimming pools. But does not give 100% results for Sparrows.
