STOP

OIL

LEAKS

THIS IS WHY LIQUID INTELLIGENCE 230 CAN EVEN FIX BADLY LEAKING SEALS.

Even badly leaking seals, normally only have a slight amount of deterioration or damage on them and don't always need replacing...The Liquid Intelligence 230 Stop Leak Seal Expander formulation contains a unique combination of ester and phenol additives... These additive work by restoring some of the seals volume, elasticity and compression characteristics. Therefore returning substantial amounts of the seals original structural integrity, and preventing further leaks for years. Liquid Intelligence products are the BEST OF THE BEST. They have the highest degree of efficiency, activity and functionality, compared to any similar retail grade product.

You can call Peter for a chat about product and application information or simply to purchase Liquid Intelligence 7am to 7pm seven days a week **1800 441 163 OR PURCHASE ONLINE [www.liquidintelligence.com.au/230](http://www.liquidintelligence.com.au/230)**
